Charbel Abi Nader

IT Manager,

Gcs,

Jounieh,

Dear Charbel Abi Nader,

I am writing to express my interest in the IT technician position at Gcs. With a strong background in computer science and hands-on experience in software management, computer repair, and customer service, I am excited about the opportunity to contribute to your team and help support your clients' technological needs.

My experiences at Teleferique Jounieh and in my personal business have equipped me with valuable technical skills, including software management, hardware and software repair, and database administration. Additionally, my proficiency in programming languages such as Python, Java, and HTML, combined with my understanding of database management and mobile applications, make me well-suited for the responsibilities of the IT technician role at Gcs.

I am eager to bring my technical expertise and passion for technology to your team and am confident in my ability to provide exceptional IT support to your clients. I am available for an interview at your earliest convenience and can be reached at +96170570699 or, anwarabinader@gmail.com.

Thank you for considering my application. I look forward to the opportunity to discuss how I can contribute to your team in more detail.

Sincerely,

Anwar Abi Nader.
